

BNP PARIBAS

OTC Clearing - Onboarding Process

BNP Paribas (BNPP) is required to inform our potential clients of the onboarding process steps for over-the-counter (OTC) derivative clearing, including estimated timelines, required documentation and a form for request for proposal (RfP) in accordance with Delegated Regulation (EU) 2021/1456 (EMIR FRANDT).

This document contains:

1. Information on submitting a Request for Proposal
2. Onboarding Process and Timelines

REQUEST FOR PROPOSAL

A prospective client may make a request for proposal by:

1. Returning a completed 'Form for Request for Proposal' found on our website; or
2. Emailing dl.decrfp@uk.bnpparibas.com; or
3. Reaching out to their usual BNP Paribas Relationship Manager or Sales contact

The information required to submit a request for proposal can be found in the form on the website. After submitting the form, or contacting the desk via options (2) and (3) BNPP will make an assessment of the prospective client in accordance with Article 25 of Delegated Regulation (EU) 2017/589, using the information provided.

Once BNPP have made this assessment we shall either;

- (i) Decide not to respond to the request for proposal, and inform the client of the decision without undue delay; or
- (ii) Submit a proposal to the client in respect to the request for proposal

OTC CLEARING ONBOARDING TIMELINE

A typical onboarding will take approximately 3 months to complete. Timeframes will depend on the time taken for the client to complete the required documentation.

Weeks 1 - 2	Weeks 3 - 7	Weeks 8 - 11	Week 12
Initial onboarding meeting	Due diligence and legal	Operational set up, post legal agreement execution	Production test and go-live trade

OTC CLEARING ONBOARDING PROCESS – Table of Contents
